To Whom It May Concern:

My name is Al Watlington, and I am an Independent Agent for FREIGHTMATCHERS.COM. I joined in an alliance with the company a few months after its inception, in February, 2004, after a career of 30 years in the transportation industry, about half of which as an Independent Agent.

This alliance has been the best thing that has ever happened to me. For all those years I worked "for the other guy", I had always dreamed of being able to work for myself with the only limitations being those I placed on my own abilities. I had also always dreamed of working with other professionals whose level of expertise and experience either matched, or, exceeded my own. Here is where FREIGHTMATCHERS.COM, and, as I refer to them, "Al's Angels" came in!

My dream is complete, for all those things that I have searched for, professionalism, intelligence, courtesy, and ability to thoroughly handle the accounts I produce as I would personally, now rests in the very capable hands of my "Al's Angels", who are Ms Diane Endres, President, Ms Diane Inostroza, Vice President, and Ms Betty Maas, Independent Agent, of FREIGHTMATCHERS.COM.

In my book, anyone considering either making a change in their career, or, starting a new one, I personally can highly recommend they strongly consider joining OUR team!

Best regards,

Al Watlington
